### Agreement For Officiating Services For 2024-2025

6. **Mileage Schedule:** Officials shall be paid mileage reimbursement based on the following:

**Plan 1: UIL Schools** (<=91 actual miles from chapter center point)

Officials will be paid a flat rate based on the average Google Maps driving distance of the school from the center point of the Gulf Coast Chapter area of responsibility (actual mileage). This chapter center point has been established by the UIL at 1801 Allen Pkwy - Houston, TX 77019. The flat rates are as follows:

Within 01.00 - 30.90 actual mileage = \$20.00  
 Within 31.00 - 60.90 actual mileage = \$35.00  
 Within 61.00 - 90.90 actual mileage = \$50.00

**Plan 2: UIL Schools** (> 91 actual miles from chapter center point)

For schools more than 91 actual miles from the center point of the Gulf Coast Chapter area of responsibility, the driving officials will be reimbursed portal to portal (round-trip travel from official's home address to venue address) one car at state rate, two cars at 75% of the state rate, or three cars at 60% of the state rate. The round-trip rates:

One car = \$0.67 per mile (100%)  
 Two cars = \$0.503 per mile (75%)  
 Three cars = \$0.402 per mile (60%)  
 Four cars = \$0.335 per mile (50%)

A \$15.00 riders fee will be paid to non-driving officials for events over the 91 actual mile range.

**Plan 3: Non-UIL Schools/Clubs**

For Non-UIL Schools/Clubs, the driving officials will be reimbursed per the State of Texas Comptroller's mileage rate as of August 1, 2024. This rate is \$0.67 per mile.
